"WE DON'T JUST FIND OPPORTUNITIES,
WE CREATE THEM"

FOUNDER PRESIDENT
SPEAKS...

Women constitute half of the world's population. The Universal Declaration of Human Rights reaffirmed the equal rights of men and women. Despite this, women experience considerable disadvantage and discrimination in societies perpetuating gender-differentiated structures. In order to create gender equality, women should be economically independent and self-confident. The IVDP is dedicated its service and functioning towards this task since 1979.

The formation of women into SHG is the prime methodology and successful model of women empowerment programmes adopted by IVDP brought many changes in the lives of women. To achieve this goal IVDP implementing various programmes and activities, to uplift the lives of marginalized section of women in this region.

Always IVDP believe in the power of women to change their lives, their communities and the world. Yet too many women are prevented from enjoying their full human rights because of poverty, discrimination, violence and inequality.

In the journey with women, last year IVDP have added 1330 new SHGs in its fold, adding this new SHGs the total strength of IVDP SHGs have been stands 11,094 with 2,02,978 members. Altogether they transacted over Rs. 624 crores in the form of various loans.

With this window we want to see a world where every woman can determine her own life. We work with SHGs to provide women with opportunities to earn an income and lead the change they want to see.

Apart from women development programmes the IVDP also supports variety of welfare programmes for child welfare, educational scholarship, health and sanitation, environment protection, promoting renewable energy, providing safe drinking water, etc. For this purpose IVDP has spent Rs. 6.7 Crores in 2016-2017.

At this juncture I would like to remember our financial partners like Indian Bank, Pallavan Grama Bank and Bank of India with gratitude for their continues support. I also thank Bella, HUL, LG, D-Light, TVS Chinnasamy Agencies, Joy Alukkas, Usha Sewing Machine Company and other government and non-government organizations and corporates for their participation in our mission.

Finally I would like to thank all my IVDP staff, animators, well wishers and members for their enormous efforts in realizing the IVDP's mission and vision.

KULANDAI FRANCIS

THE HISTORY

**INTEGRATED VILLAGE DEVELOPMENT PROJECT (IVDP)
WAS STARTED IN THE YEAR 1979.**

The project humble beginning of the IVDP started in Motragi village, Natrampalayam Panchayat in Thally block, Krishnagiri District in the midst of thick forest. While staying with the poor villagers our president realised that the health, and Education are the most urgent needs of the rural people of that locality. He felt that the without health and education, development will not take place.

Night schools and First Aid centers

In the year 1977, he started 20 night schools and first aid centers in and around Natrampalayam villages. This project was carried out with the support of Sr. Josey ICM.

Check Dams

During his stay with the poor farmers and farm labourers at Sesurajapuram village, he envisaged the need for the storage of water

for agriculture purpose. In those days there were no wells or borewells in that area. There existed acute water scarcity. All agricultural lands went dry.

The poor labourers who were solely dependent on agriculture started migrating to the neighbouring districts and states for their livelihood.

IVDP OLD OFFICE - 1979

At this circumstance only, Mr. Francis came out with the idea of constructing check dams which was very much useful for agriculture and cattle.

He constructed 331 small and big check dams in Natrampalayam, Anchetty, Thakkati, Urigam and Kottaiyur village panchayats. All of them are a great boon to farmers and cattle even today.

Formation of SHGs

When he was constantly thinking of bringing empowerment in the poor villagers, he came out with a novel idea of forming groups for doing development activities.

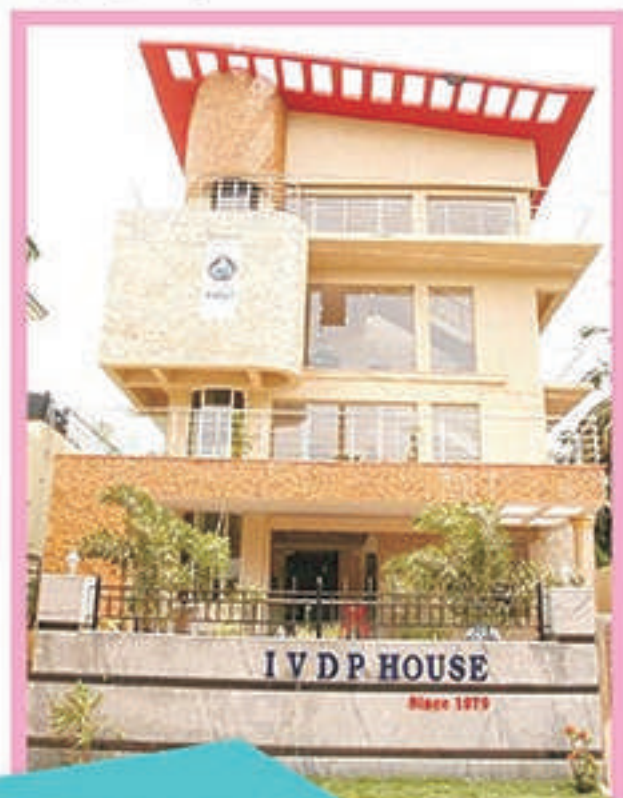

At first he started a men SHG and it was not successful as the members were so irregular in repaying the installments of a small loan that they received. Hence he stopped forming Men SHGs.

Women SHGs

In 1985, he started Annai Velankanni women SHG with 12 members in Sesurajapuram. This group collected 0.50 paise only as savings from each member at the beginning.

As it was successful, he concentrated much on forming more and more number of women SHGs. Today we have 11094 SHGs having 2,02,978 members across Krishnagiri, Dharmapuri and Vellore districts.

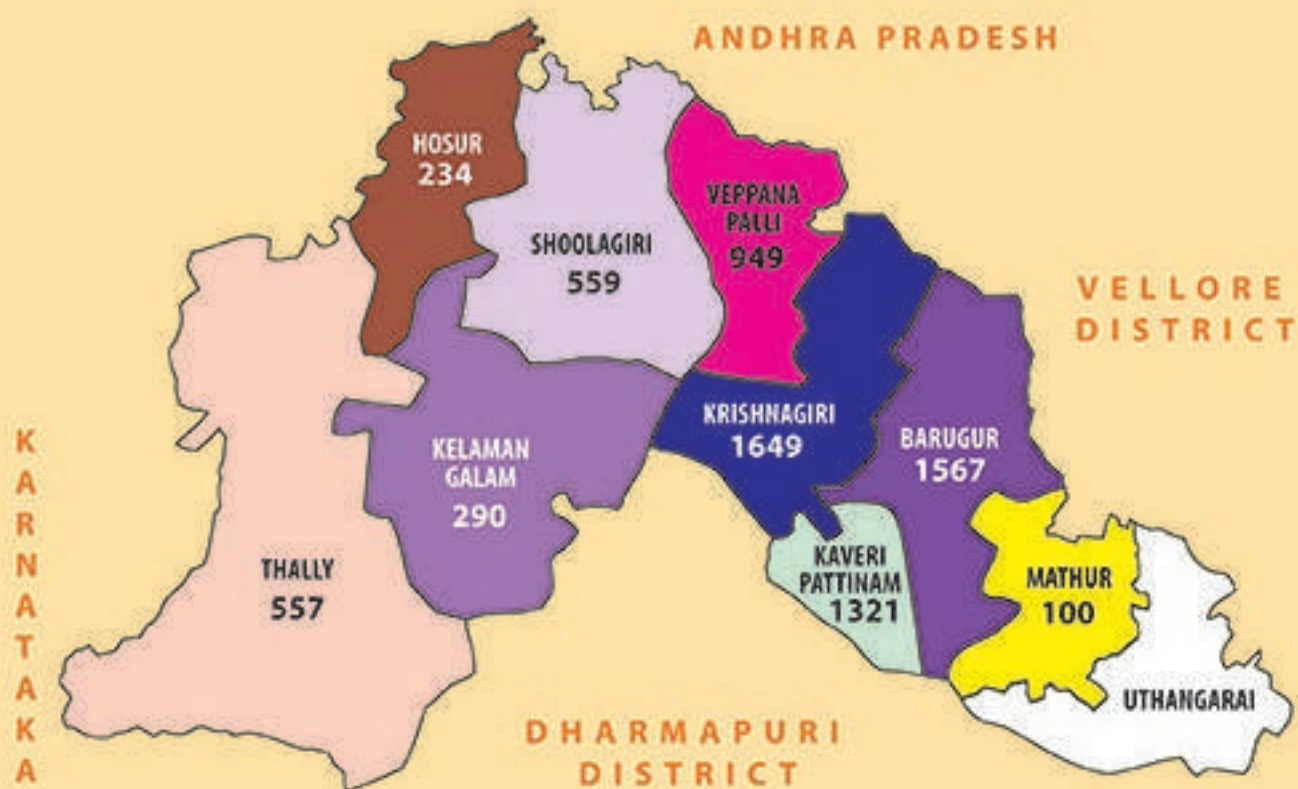

Almost all the IVDP women SHGs prove to be more efficient, undertaking various development activities. We are able to see a lot of developments in terms of health, education and other socio, economic activities in their families.

Women Self Help Groups changed the face of Indian women and made them empowered and economically more independent. The Women empowerment and their economical growth led them towards their overall family development and playing vital role in eradicating poverty.

IVDP is trend setter in promoting and organizing the women into groups. The IVDP SHGs are having the high standards of operational procedures and professional methods. Women SHG members save their income, rotate their savings among themselves at lower interest. Members avail bank loan without any security. It is boon for all the poor rural women who cannot produce any property document as a security. It naturally builds a sense of cooperation, helping tendency and responsibility among the members.

IVDP SHG BANK LINKAGE - ACTION PLAN & ACHIEVEMENT

LOANS

The savings and credit are the major components of any SHGs in India. The credit facilities given to the poor rural women by the financial institutions are bringing significant changes in their lives.

Invariably they need financial support for all their developmental activities. Irrespective of their livelihood jobs, every member avails either one or more loans and make use of the money for their development activities like small business, purchasing agriculture land, house construction, educational expenses, marriage expenses etc.

IVDP is committed to bring about women empowerment through women SHGs by means of facilitating various loans at a reasonable rate of interest.

Types of loans availed by IVDP SHG members:

1. Sangha loan (from the savings) at the reasonable interest rate fixed by the groups.
2. Sangha Special Loan
3. IVDP loan (Interest 12%)
4. Bank loan : Here the bank loans are sanctioned only to the group accounts. Naturally all members become equally responsible for the loan amount sanctioned. If a member fails to repay the loan, all other remaining members should take the responsibility of repayment.

Apart from the sangha loans, the groups have easy access to get either IVDP loan or bank loan. IVDP SHGs are grouped under clusters for training, loan appraisal and so many other purposes.

Dear Mr.Kulandai Francis,

Greetings from Bro.George KJ!

Thank you very much for sending me the 'IVDP Annual Report' along with IVDP Malar. The annual Report is extensive and well edited giving a bird's eye view of the multifarious Social and charitable works carried out by IVDP under your able guidance. Going through them, I was able to fathom to some extent - the enormous contribution made by you for the economic upliftment of the poor and the less privileged. The late 'Tmt.Kosalay Awards' are wonderful avenues to encourage the young students of SHGs under your commitment and care.

May your 'good work' continue to support numerous women and children living under difficult conditions!

Yours in Christ,
