Dear Sir.

Greetings from the Department of Business Administration, Auxilium College!

#### "The happiest people are not those getting more, but those giving more"

The Department of Business Administration is immensely proud and happy to be associated with IVDP since 2005. IVDP is a part and a major support for the Department in its growth. At this juncture, we are grateful to you Sir, for your kind gesture in sponsoring an LED Outdoor Panel for the College commemorating the Silver Jubilee Celebration of our Department. When the stomach is full, the mind is full. We are still cherishing the memories of the Biriyani provided by you, not only to our students but the faculty of the entire College.

#### "Everyone looks at your watch and it represents who you are, your values and your personal style".

True to the above quote is your thought on gifting watch to all the students of our Department , shows that the students are always special for you. IVDP is a second home for our Department , as we specially take the privilege in bringing our MBA Students for an Industrial Visit every year.

#### "See the world. It's more fantastic than any dream made or paid for in factories"

We thank you in advance for providing us an opportunity to explore the world by sponsoring us for a memorable trip.

Sir, words are not enough to express our heartfelt gratitude to you not only for our silver jubilee but for your constant support to us, all through the years and the years to come.

# FIRST AID CENTRES

AND NIGHT SCHOOLS

In 1977, **Mr. Kulandai Franci**s started 20 night schools and first aid centres in and around Natrampalayam and Biligundu Villages in the erstwhile Dharmapuri District.

He travelled by coracle (Parisal) across the river Cauvery to reach the tribal children in the forest for organizing night school for them. He also arranged the fishing license from the Govt. for the fisherman in Biligundu village,

### **BIRTH OF IVDP**

IVDP was founded in 1979 at Motragi Village, Natrampalayam in Thally block of Krishnagiri district in the midst of the thick forest. While staying with the poor villagers Mr. Kulandai Francis realised the dare needs of the rural people in the locality. He felt that without health and education, development will not take place in the society.

# WATERSHED PROJECT

From 1979 to 2002, IVDP implemeted watershed programs around the hills of Anjetty Region. This involved with planning and construction of 92 major and 239 minor check dams, built across streams and gullies in the hilly region. The check dams are designed to retain monsoon rains, leading to the increased groundwater levels and storing water for the irrigation, livestock and domestic requirements of the villagers.

When Mr. Kulandai Francis was constantly thinking of bringing transformation among the poor villagers, then we came out with. a novel idea of forming groups for their development.

At first, he started men SHG and it was not much successful as the members were so irregular and failed to repay their loans.

Then he shifted his concentration towards. women in 1985 and started Annai Velankanni SHG with 12 members in Sesurajapuram. This first group collected only 50 paise as indivual savings. Now the indivual savings gone upto Rs. 300.

1985 IVDP Started Women SHGs

1989 IFAD Funded IVDP SHGs

Till 2003 partnership with Mahalir Thittam
Govt. of Tamil Nadu

From 2003 IVDP SHGs became independent and started functioning on its own.

IVDP Nethaji Matriculation School was started as a Tamil Medium School in the year 2001 and later it was converted into English Medium. Then. it was upgraded as a Matriculation School in the year 2013. At present 514 students are studying from LKG to X std.

In this noble journey, Society of Sisters of St. Ann's Madavaram (SSAM) extend their helping hands with IVDP to run this school.
